

## LED Red Exit and Emergency Combo

### Single or Double Face in One Unit

Topaz's line of emergency exit and lighting combo units offer safety and security in an easy to install design. Emergency units are OSHA compliant and contain long lasting Ni-Cad battery backup for essential illumination during a power outage.

### FEATURES

- 120/277V dual voltage operation
- Red EXIT letters and two fully adjustable LED lamp heads
- High-impact, 5VA flame retardant thermoplastic ABS housing
- Ceiling, wall, or side mounting capability (canopy included)
- Test switch and AC supply indicator
- Removeable knockout chevron directional arrows
- Battery backup with accessible test button for 90 minutes of illumination during a power outage
- Suitable for damp locations
- Meets NFPA 70, NFPA 101, UL924, NEC and OSHA standards

### APPLICATIONS

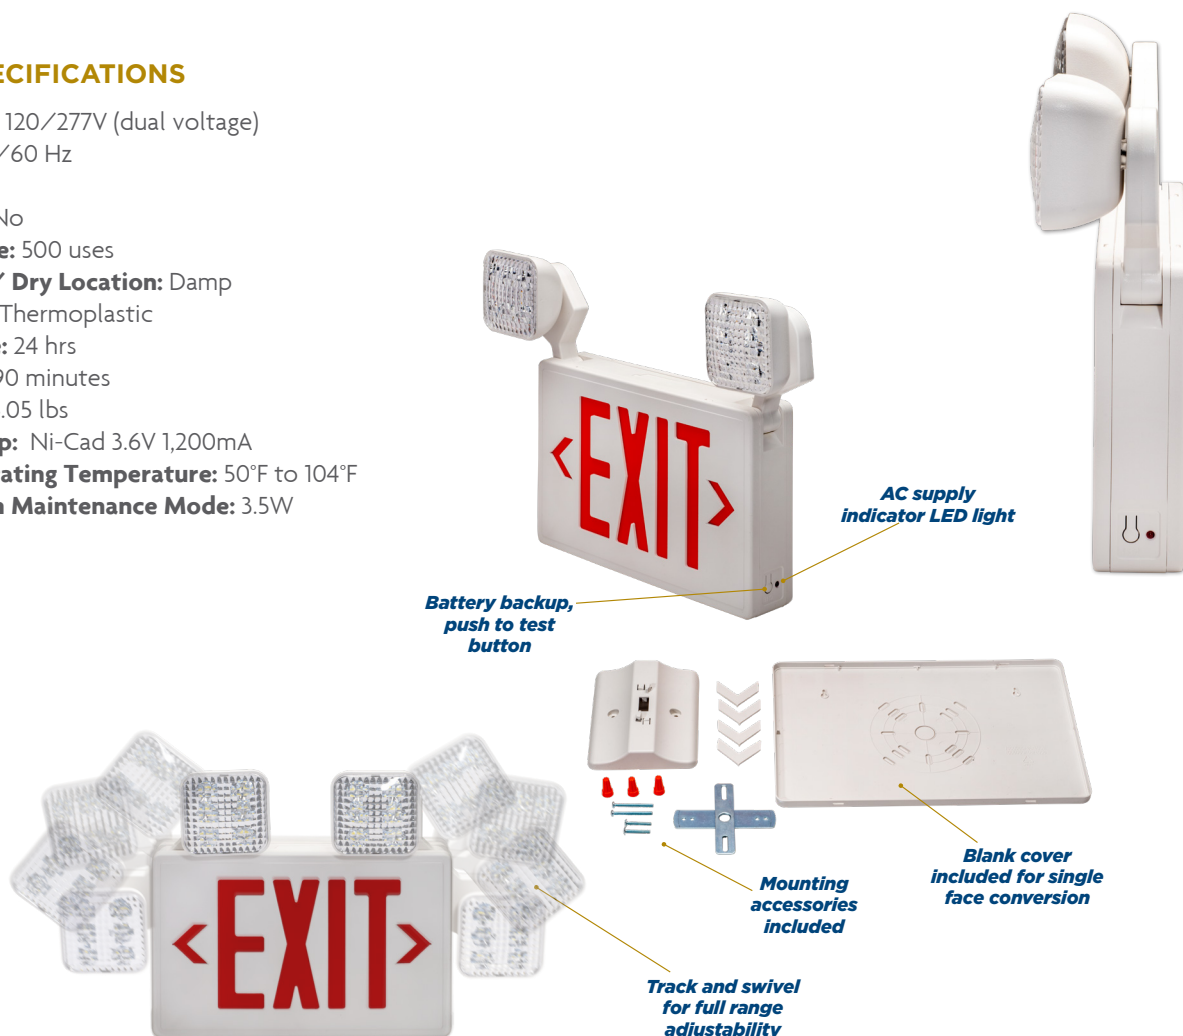

- Emergency lighting for office, industrial, retail and other public spaces

## LED Red Exit and Emergency Combo

### GENERAL SPECIFICATIONS

**Input Voltage:** 120/277V (dual voltage)  
**Frequency:** 50/60 Hz
