COMMERCIAL DOWNLIGHT MOUNTING PLATE

SATCO® | NUVO®

Model: 80-959

## INSTALLATION AND SAFETY INSTRUCTIONS
IMPORTANT: Read before installing fixture. Retain for future reference.

NEW CONSTRUCTION OR EXISTING DOWNLIGHT INSTALLATION OPTIONS

1. Mount to 16" on-center wood ceiling joists.

2. Mount to 24" on-center wood ceiling joists.

3. Mount to 24" suspended ceiling "T" grid.

24" On-center joists
Use flap tabs for 24" on-center wood joists.

16" On-center joists
Cut flange and bend flaps up for 16" on-center wood joists.

24" "T" Grid
Use mounting tabs with hole for 24" suspended ceiling "T" grid.

Adjust knock-out diameter to match fixture.

For use with Satco LED Wattage and CCT Selectable Commercial Downlights
